Ms. [REDACTED]

Per your request, and as approved by the LA County Sheriff's Department here is the information you requested, since your inquiry is general in nature and not specific to your case, I can release this information to you directly rather than you completing the subpoena process.

From Sept. 2006 - January 2007, there has been 802 citations issued on north bound Balboa at the Busway, the average red time for those citations is 8.6 seconds.

The averages per month are:

- Sep. 9.24 seconds
- Oct. 8.92 seconds
- Nov. 8.05 seconds
- Dec. 9.26 seconds

So in response to your inquiry the Average Red Time has been very consistent at this location.

Also included are the individual citations from 10-5-2006 to 10-07-2006

Warm Regards,
